Notes: In the case of the waiver of visa requirements of up to three months or 90 days, foreigners are granted upon landing a temporary visitor status for a period of 90 days (15 days for Brunei).

Nationals of countries and regions that have taken measures concerning the waiver of visa requirements with Japan for stays of up to six months in principle are granted permission to stay in Japan for 90 days at the time of landing. Nationals of these countries and regions who wish to stay in Japan for more than 90 days must apply at their nearest immigration authority in Japan for an extension of their period of stay.

In the case of Australia, Japan adopts a unilateral measure, not a bilateral waiver of visa requirements.

In the case of Bangladesh, Pakistan and Iran, the waiver of visa requirements is temporarily suspended.

In the case of Malaysia, Peru and Colombia, it is recommended to obtain visa.

In the case of China, visas are not required only for school excursion staying in Japan less than 30 days.

In the case of the Republic of Korea, visas are not required until February 28, 2006.
